

Genealogical chart and document collection for the Vink family, including birth records, marriage certificates, and family trees. The chart shows the lineage from the 18th century to the present, with key figures like Johannes Vink, Aaltje Vink, and Gertrude Fellenberg. Documents include a Dutch passport, a military record, and various church records. A central family tree diagram connects these individuals, showing marriages and offspring. A large stone monument is also depicted, likely a grave marker for a family member.
